

# TIME TO CELEBRATE

## THE 2024 WOMEN WHO CHRISTMAS DO & AWARDS NIGHT

SATURDAY 23RD NOVEMBER 2024 | 7PM TO MIDNIGHT

To every nominee, finalist and winner

You are all winning every single day. Your determination, commitment and perseverance are more powerful and far-reaching than you might realise.

Every risk you take, every challenge you overcome and every success you achieve sends a ripple of inspiration to countless others watching from near and far. You are not just building businesses; you are building dreams and breaking barriers, showing others what is possible when courage meets hard work.

You are all proving that persistence and passion can create extraordinary impact. Thank you for being a source of strength and motivation to so many—you truly are shaping a brighter, bolder future for all. Don't forget that!

# THE 2024 WOMEN WHO SUPPORT AWARD

The winner of the 2024 Women Who Support Award will be recognised for their exceptional ability to offer emotional, practical and moral support in various situations, often going above and beyond what is expected.

This member is a beacon of reliability, always available to lend a listening ear, provide advice or offer a helping hand. Their support has made a significant impact, helping others overcome challenges, achieve their goals, and grow in confidence and their efforts have left a lasting, positive imprint on the lives they've touched.

# THE 2024 WOMEN WHO INSPIRE AWARD

The winner of the Women Who Inspire Award is a remarkable individual who motivates and lifts those around them. This member may have overcome significant challenges, turning adversity into opportunity. Their story may be one of resilience and courage; a story which has made a lasting impact in their community or industry, often going above and beyond to help others succeed.

Whether through mentoring, advocacy, or leadership, they have inspired change and encouraged others to believe in their potential. Their actions reflect a deep sense of empathy, purpose and a desire to make the world a better place. They are celebrated not only for their achievements but for the positive influence they have on those who follow in their footsteps.

# THE 2024 WOMEN WHO SPECIAL ACHIEVEMENT AWARD

The winner of the Women Who Special Achievement Award will be an extraordinary individual who may have faced profound obstacles, personal, professional, or both, yet has emerged stronger, demonstrating an unwavering spirit and determination to succeed. Known for their ability to navigate complex challenges, this member has made bold decisions that have propelled their business to new heights.

They have turned their struggles into stepping stones, using their experiences to motivate those around them. Their courage in navigating tough circumstances is matched by their compassion and willingness to support others who may be facing similar challenges. They are honoured not just for their achievements, but for the powerful example they set, proving that with determination and hope, it is possible to overcome even the most daunting obstacles.
